ALL TICKRS FEATURE

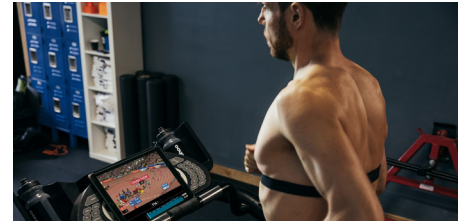

ACCURATE HEART RATE & CALORIE BURN

Reach your goals by using accurate heart rate and calorie burn data to optimize efficiency during any activity or workout.

THE MOST CONNECTED

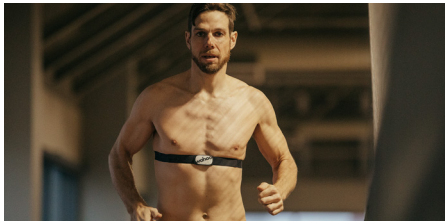

Easy to see top-mounted LED indicators verify that the all TICKRs are connected to a device and reading your heart rate. Equipped with Bluetooth & ANT+ technology, all TICKRs pair to smartphones, GPS watches and bike computers at the same time or separately.

APP COMPATIBILITY

No matter how you like to train, all TICKRs track heart rate and calorie burn with over 50 of your favorite training apps.

EXCLUSIVE TICKR X ADVANCED FEATURES

RUNNING SMOOTHNESS

With the Wahoo Fitness App, TICKR X is able to measure Running Dynamics such as cadence, vertical oscillation, and ground contact time. These running dynamics combine to provide a Running Smoothness score that can be used to track your running efficiency and improvements in form.

MEMORY

Built-in memory records up to 50 hours of heart rate, calorie burn and workout duration, giving you the freedom to train without a phone.

MOTION ANALYTICS

ANT+ Running Dynamics allow you to see vertical oscillation, ground contact time & cadence in real time on your compatible multisport/running watch. With the Wahoo Fitness App, TICKR X can track speed and distance when running indoors on treadmill mode and cadence on a stationary bike in indoor cycling mode.
